6.	BIBLIOGRAPHY	185-189

About the book

This is a comprehensive book specifically aimed at teachers-in-training of M.D.U., K.U.K. C.D.U. and other Universities. It covers the concept, nature, functions and importance of language, major approaches and methods of language teaching, development of linguistic skills, use of various audio-visual aids in language teaching and evaluation in language teaching. The present book discusses the aspects of teaching English as a second language which have not been discussed on a comprehensive scale.

About the author

Anil Sehrawat is Faculty at Jaypee University of Information Technology, Wazirpur, New Delhi. Earlier, he taught at C.R. College of Education, Rohtak, Haryana. He is M.A. (English), M.Ed. (Gold Medalist), M.Phil (Education) and Ph.D. in English. He has published several articles on 'learning English as a second language' and 'achievement goals' in various national and international journals of repute.
